Activity					
Arrange some fruit or vegetables in a bowl and draw or paint what you see (in your own style). Look at some 'still life' paintings by artists such as Cezanne and Hockney for inspiration. 	Complete a creative piece of writing in which you imagine you are a piece of fruit (or veg) that is about to be eaten by a human. Would you be scared of being eaten or would you see it as your ultimate aim in life? 	We import a lot of fruit and veg from other countries. Look at the labelling on the fruit and veg packaging in your house and find the item that has travelled the furthest destination. Let us know the type of produce, the country it came from and the distance it has travelled!	Try to grow your own plant. Plant a seed in a pot and record what happens each day. Once it starts to grow, make scientific drawings of what you observe. 	Make sure that you know your times tables from 2 to 12, but also spend some time looking at your tables in terms of division.  For example, $36 \div 6$ and $144 \div 12$. Know your times tables inside out!	Duke Awards  Complete your First Aid/Risk Assessment.

Non-negotiables (Please keep practising):

Times tables: Please practise all your times tables.

Reading: At least 5 times a week. Please record all reading in reading records.

Spelling: Please learn the spellings in weekly order. If you are confident with all the revision spellings, you can use each word in a sentence to consolidate your understanding. This can be completed in your homework books.

At least one session of the homework should be completed and return to school every Wednesday for marking.

All other homework tasks can be completed in any order that you choose.
