Activity:					
<p>Linked to our topic 'Marvellous Machines', design a sleigh for Santa. As a challenge you could make your creation using junk modelling or a construction toy of your choice. Provide a picture or draw your creation.</p> 	<p>Practise your counting by finding up to 10 household machines. Make sure you are supervised. You can draw them or paste a photo in your homework book.</p> 	<p>To help with fine motor and handwriting, practise drawing circles: big, small, clockwise and anticlockwise. This skill helps to form recognisable letters. Perhaps you could complete this in the style of artist Wassily Kandinsky!</p> 	<p>Please refer to the Duke Awards challenge book: Being prepared. Learn to sharpen pencils and carry your bag to school every day for two weeks.</p> 	<p>Revise the sounds we have been learning in class. You will find a sheet of these glued into your homework book. Say them to your grown up and try searching for them in books from home.</p> 	<p>Show independence by helping your grown up with small jobs around the house. For example, clearing away your plate after eating or making your bed in the morning. Paste a photo in your homework book.</p> 
Teacher comment at the end of the term:					
<p>Non-negotiables (Please keep practising):</p> <p>*Reading at least 5x per week* Please record individual readings daily into your reading record with the date clearly written. If you have not completed the book please write the page number that you have read up to. If you have finished the book, please read it a second time, then record this as 'finished' or 'complete' so that it can be changed correctly.</p> <p>Writing and forming letters. Writing your name. Counting to 10.</p>					

This is due the last week of term, by the 19th December.
