<p>When people explore our world, they often leave a symbol such as a flag to represent the country they are from. If you were to climb a mountain and leave your 'mark' when you reach the top, what would your flag look like? Design a flag to make your mark on a mountain adventure!</p> 	<p>Create a true or false quiz using some of the amazing facts you researched about mountains and rivers of the world.</p> <p>Make sure you know the answers! We will have a class quiz in the last week of term!</p> 	<p>Practice the times tables and division facts you have learned so far (for speed) on the computer using Times Tables Rock Stars (Please ask an adult first). Touch-typing the answer is a key skill we must learn.</p> 	<p>Complete the 'Swimming or Egg Challenge' pages in your Duke Awards Book.
