Activity:						
The Roman army were famous for their shields. They used these to protect themselves during battle. If you were a Roman soldier, what would your shield look like? Design your own Roman shield. 	The Romans travelled from Italy to Britain and invaded. They brought with them their inventions and way of life. Research the Romans in Britain. Is there any evidence of the Romans in Kent?	Use Times Table Rock Stars to practise timetables, focusing on the 2,3,4,5,8 and 10 times tables. 	What is your favourite book? Why is it your favourite? Write a book review about your favourite book. This might encourage someone else to read something new! Remember to include what the book is about and what you like about it. Please write your review on a separate piece of paper so that we can display it in class. 	Revise the rules of how to use different types of punctuation, especially: Full stops, commas, question mark, exclamation marks and inverted commas. Make a poster to explain to others how to use punctuation. 	If you set up your own ancient civilisation, what would it look like? What would be important to you? Create your own ancient civilisation settlement. 	 Independence: Walk somewhere nearby (with your adult insight) for a reason. You should know your local environment and be able to make left and right turns and cross roads safely. Record your reflections on pages 20 & 21 of your Duke Awards book.

						<u>My Country:</u> Navigating- Map reading is a very useful skill and can be great fun too. Remember to take photos on your route and the Map. Record your reflections on pg.28 & 29 of your Duke Awards book.
